

MyDesign Portfolio

	requirement	testing setup and procedure	test cases and number of trials	expected range of results	pass/fail criteria, goal
3	Move based on desired amount of sunlight	1)put it out in the sun and see if the plant gets the right amount of sun	We did not get a chance to test		
4	Programmable for the time of day and the sun	1)we will program it 2)then we will see if it cuts on and off when we asked it to	We did not get a chance to test		
5	Must use a battery	1)we will see how long it will be charged and see if we need to recharge it	We did not get a chance to test
