

Element C

(HIGH) 1. Ms. Grever needs a container for supplies because she wants them to be organized

(HIGH) 2. Ms. Grever needs the container to spin because she wants to make it easier to get the supplies

(LOW) 3. The size of the spinning supply container needs to be the size of plate because she wants it to hold plenty.

(HIGH) 4. Ms. Grever needs the container to also hold cleaning materials like spray bottle because she wants it to have multiple uses

(HIGH) 5 The container needs to be big enough to hold both spray bottles as well as supplies because this is a multi-use container.
