Your NEW mission: **Design something useful and meaningful for your partner.**
Start by gaining empathy.

1 Interview

8min (2 sessions x 4 minutes each)

Notes from your first interview

bag
hand handle
medium size
white
imprint of horse shoe
six cards holders

2 Dig Deeper

6min (2 sessions x 3 minutes each)

Notes from your second interview

because no pockets, need to carry things
it's nice and simple (color white)
because her uncle has horses
have lot of cards
want GPS because she loves everything

Switch roles & repeat Interview

Switch roles & repeat Interview

Reframe the problem.

3 Capture findings 3min

needs: things they are trying to do*

*use verbs

try to achieve security inside of
bag because she loves stuff.

insights: new learnings about your partner's feelings/
worldview to leverage in your design*

*make inferences from what you heard

4 Define problem statement 3min

8 Giselle Alcaraz
partner's name | description

needs a way to achieve security/privacy
user's need

Surprisingly // because // but ...
[circle one]

because she loves things and
wants her stuff protected
